## Alumni Notes...

**Clifford, William '60** (Floral Park NY) - Retired 4 years after 50 years in Corporate America. 20 years with Pfizer, 3 years at Hoffman La Roche, and 27 years with Con Edison. All as a result of Bro. Bernadine who said "college is a must"... and an MBA from Fordham did not hurt. Bill and Marie have 3 lovely grandchildren. The Beloved Brothers of the Sacred Heart at St Rose of Lima and McClancy were in a very big part responsible for this success and happiness. THANKS!

**Strazzini, Ed '60** (Deltaville, VA) - recently retired for a second time from Air Methods Corporation; my flying days are truly over unless I get into flying sight-seers in Hawaii. Currently focused on sailing my own boat up and down the east coast and training to serve as a sailing instructor at the US Naval Academy. My son and his family live in Manhattan, so old friends please contact me for a link up as I get up there often.

**Gorman, Richard '65** (Cibola, TX) - it was very interesting to read the Alumni notes below. In fact the one about Dan Deely brought back memories, since he and I attended Saint Joan of Arc Grammar School in Jackson Heights for 8 years before enrolling at McClancy and graduating in 1965. I served 21 years in the Army, retiring in 1989, subsequently serving another 24 years as an Army civilian operating Army business programs around the world and retiring from that adventure last August (2013) and began to work for the Army and Air Force Exchange Service (the PX system) a month later. My wife Juanita, nee Long, and I have been married 42 years and live in San Antonio, TX. We have three children. Denis, 37, who is a sports writer living in Forest Hills, NY; Laura, 33, works in retail in San Antonio and Hye Eun, 14, who is in her first year in high school with us in San Antonio. All the best to the Crusaders!!

**Martynowicz Zygmunt '65** - Thank you for sending me the McClancy eNewsletter. I especially like the Alumni Notes column. It's good to read about the fellow classmates in my Class of '60. Perhaps you could add some new ones in your next edition that I would like to share. This month was my five year retirement anniversary as Director of Software Engineering at Northrop Grumman in Woodland Hills, California. I originally started work at Grumman in Bethpage, NY in 1965.
