School Leadership Conference

The Presidents, Principals, and Headmasters of 10 schools of the US Province of the Brothers of the Sacred Heart met this year in St. Alban's, England and were hosted by St. Columba's College. Following the English tradition, students are grouped into "houses," and St. Columba's chose to name their houses after Brothers' schools in the States. Above, Mr. James Castrataro is presenting a PowerPoint about McClancy to the McClancy House. Also, see at right the thoughts of a couple students shared during the conference.

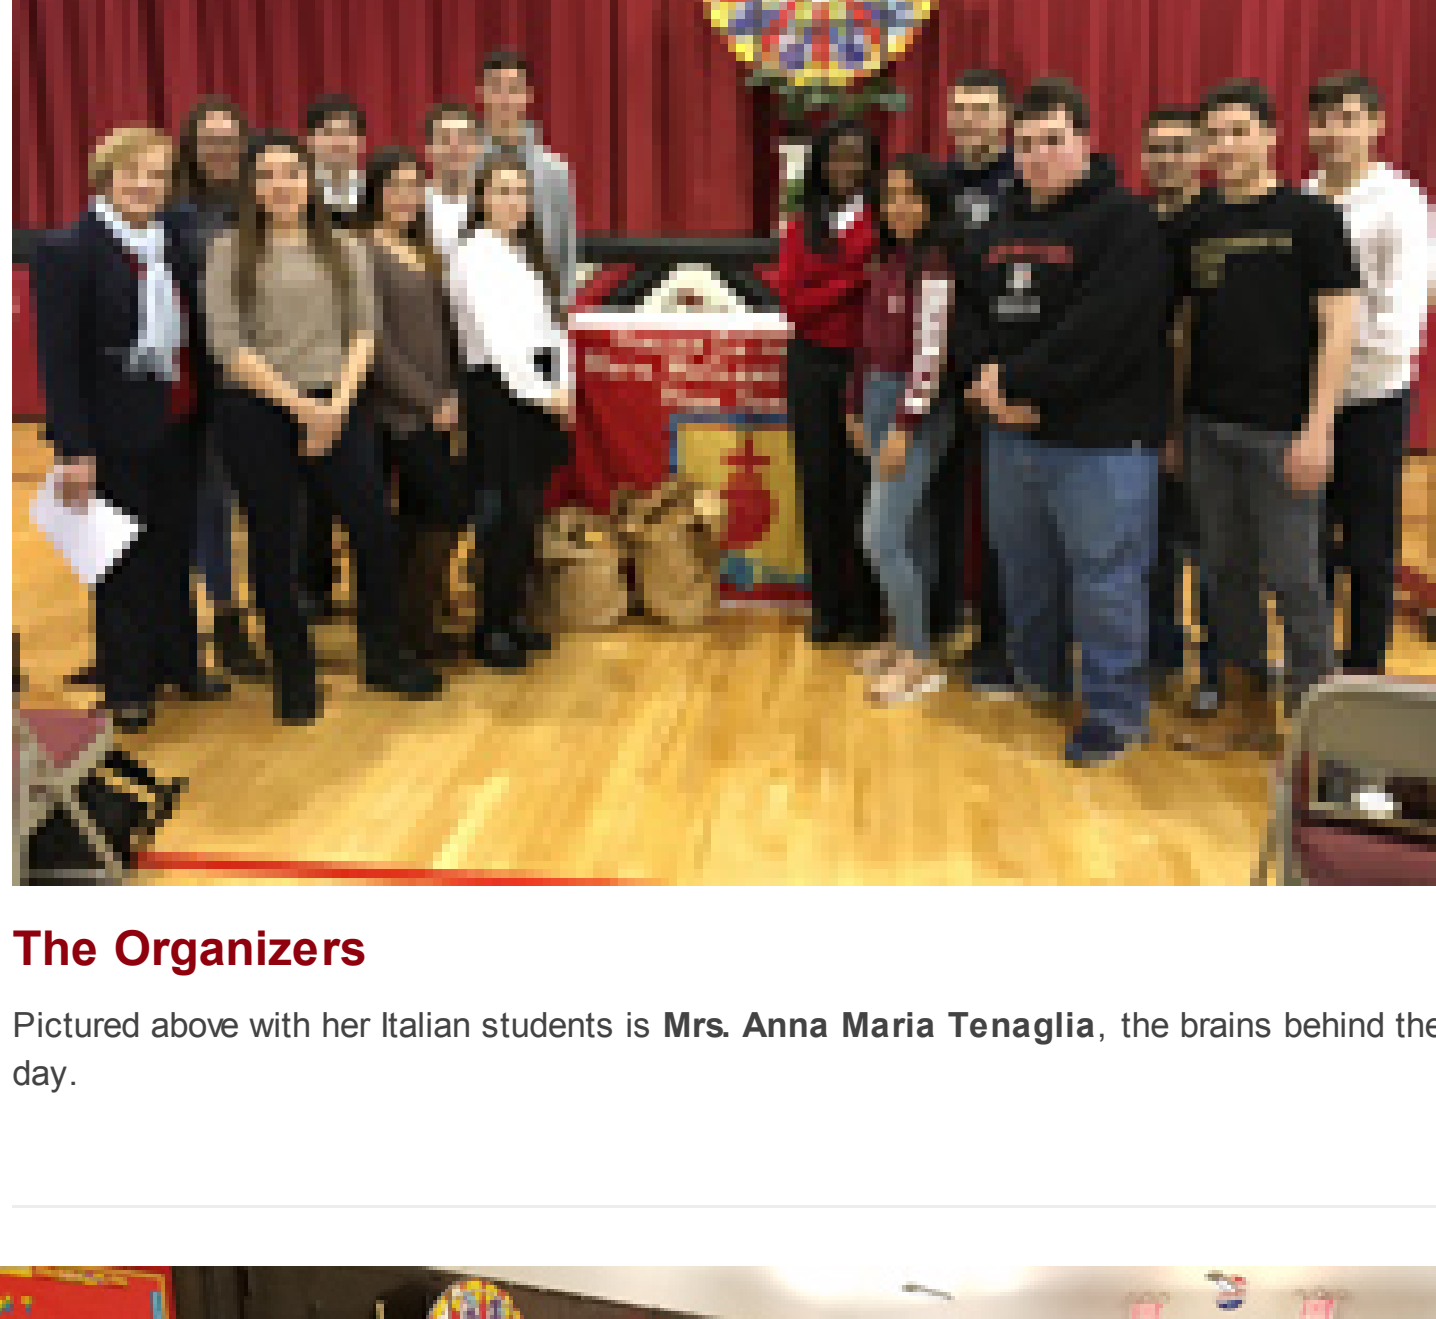

Saint Joseph's Day

Following a weather postponement, the Annual Mass and celebration for the Feast of St. Joseph, coordinated by Mrs. Tenaglia, was successfully realized. Mr. Joseph Sciame was the guest speaker this year and, as usual, there was a lot of good food.

The Organizers

Pictured above with her Italian students is Mrs. Anna Maria Tenaglia, the brains behind the day.

Parents' Club Communion Breakfast

A tradition returned recently to McClancy with a Communion Breakfast. The celebrant was Fr. Liju Augustine of Immaculate Conception Parish in Astoria, and who also filled in at the last minute for the postponed St. Joseph Day Liturgy.

How I understand the Founding Charism...

"I feel loved at school because every morning I am always welcomed into class in a kind, loving and happy way by my teachers. When my friend was upset because he was not put into the Rugby A Team, I told him to keep trying hard and you may succeed. He then stopped crying and even I was surprised at how quickly he did make the A team. If my friends are mean or call each other names we try and fix it by forgiving the other quickly to become friends again. This way everyone stays happy making St. Columba's a lovely and happy school to come to."

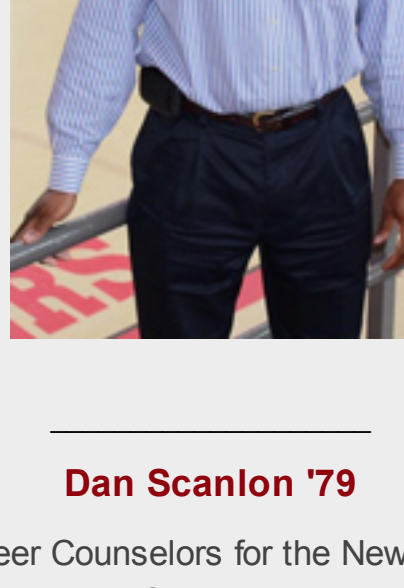

Jonah, Age 8

"I hope my teachers never lose hope in who I am."

Frankie, Prep 5
