## A Letter From a Grad

*"The fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control." Galatians 5:22-23*

Dear Brothers,

Our Good Lord has been gracious to me over the years. I've been disabled for about five years but always active. As a high school teen, I remember how we were always encouraged to get involved. Even though my health issues are limiting, I am still able to be involved.

This past year, I was elected Grand Knight of our local Knights of Columbus council. I've been the editor of their new letter for the past seven years. The Holy Name Society has also kept me sane as I participate in many of their activities. I've also recently been asked to join our parish council.

The Pro-life/Culture of Life movement has been my main focus and my council raised enough money to purchase an ultrasound machine for a local pregnancy resource center. Lives are being saved, and we continue our efforts to support this noble cause.

It is through prayer and Jesus working through me that good things are occurring. On my own, I can do nothing, but through the power of our Lord, wonders unfold before me. All that we do is for the Glory of God. My brother knights understand this fact and they work hard to do those "good works".

McClancy has been one of those places where values have been instilled in me. My education was more than math, science or history. You taught me how to have a happy life no matter what difficulties come my way. You taught me to trust in Jesus and that is what I do.

His gift to me included a wonderful wife, three beautiful children, 92 year old parents who are still healthy, a great brother, and a multitude of friends. Jesus has allowed me to continue to be involved in life.

Even though I am not able to make a large donation to McClancy, I do give you my prayers for your continued success in young lives. The Fruits of the Spirit remain alive and well at McClancy!

Your Brother in Christ,

John C. DeRobertis '74
