

1st Annual

As evident from the photo above, the **First Annual Alumni Hockey Night** was a great success, thanks in large part to the efforts of **Coach Barry Ferguson** who is also a previous McClancy Leadership Award Recipient. Red vs White teams competed with current McClancy players coming in and out. Good eats were included ice-side, and the venue was the World Ice Arena, McClancy's home ice.

The following are excerpts from **Pope Francis' Lenten Message**:

The season of Lent is a favourable time to remedy the dissonant chords of our Christian life and to receive the ever new, joyful and hope-filled proclamation of the Lord's Passover. The Church in her maternal wisdom invites us to pay special attention to anything that could dampen or even corrode our believing heart.

We are subject to numerous temptations. Each of us knows the difficulties we have to face. And it is sad to note that, when faced with the ever-varying circumstances of our daily lives, there are voices raised that take advantage of pain and uncertainty; the only thing they aim to do is sow distrust. If the fruit of faith is charity – as Mother Teresa often used to say – then the fruit of distrust is apathy and resignation. Distrust, apathy and resignation: these are demons that deaden and paralyze the soul of a believing people.

Lent is the ideal time to unmask these and other temptations, to allow our hearts to beat once more in tune with the vibrant heart of Jesus. The whole of the Lenten season is imbued with this conviction, which we could say is echoed by three words offered to us in order to rekindle the heart of the believer: pause, see and return.
