

## Supply List for the 2022-2023 School Year

Monsignor McClancy Memorial High School utilizes a Bring Your Own Device program for all students. Students are expected to bring a fully charged Chromebook or other laptop, an iPad or other tablet device with them to school each day. A student's cellphone cannot be used as their device during class time throughout the school day.

Below you will find the list of all workbooks and novels that will be used in your classes next year. These materials are available from a wide range of companies including many that provide free shipping to your home.

This is a single list for the entire school, so only purchase the materials for the particular classes your child is enrolled. Match the course code on the student schedule with those on the list to ensure you purchase the appropriate material. When purchasing student books, be mindful of the editions listed and ISBN (International Standard Book Number beginning with 978) which are listed on the right, as sometimes different editions vary greatly.

SUBJECT	LEV	CRS	SC
Engl		010	01
Music Appr		714	03
Studio Art		713	04
Phys Ed I		810	04
Span I		410	02
Glob Stu I		310	02
Algebra I		112	05
Rel I		510	06

If one or more of your student's courses are not listed below, it means that the family is not required to purchase any particular material for that class. Many of those include a state issued textbook distributed to the students during orientation. Each teacher will indicate their preference regarding notebooks, writing utensils and other supplies needed for class during Orientation Week.

### Calculators for Math and Science

All Math classes require a graphing calculator.

We recommend purchasing a Texas Instruments TI-83 or higher in advance of the September 20 deadline. All Science Regents examinations will not permit the use of a graphic calculator, so students also need to carry a scientific calculator.

Some companies sell a combination pack with both types of calculators together.

## English

### Incoming Freshmen Summer Reading Assignment

The Fault in Our Stars 9780142424179

#### 010: English I (Sections 01, 02 & 06)

**Instructors: Ms. Savino**
